

2007 **BIV** TOP 100 FASTEST-GROWING COMPANIES

Drive and innovation the hallmarks of B.C.'s 100 fastest

Celebrating entrepreneurial success

Business success stories from across the spectrum of industries in British Columbia were shared last week at *Business in Vancouver's* annual fastest-growing companies reception.

The event, held at SFU's Segal Centre in downtown Vancouver, celebrated the success of the 100 companies in B.C. who enjoyed the greatest growth over a five-year period, 2002-2006. The keynote address was provided by **Chip Wilson**, the entrepreneur behind the phenomenal success of **Lululemon**.

The complete list of this year's fastest-growing companies was published in *BIV* issue 932 (September 4, 2007). For more event photos, go to *BIV's* website (www.biv.com).
