## **RESUME MIRROR EXTRACTION ENTERPRISE ACHIEVES SAP® CERTIFIED INTEGRATION STATUS**

Talent Technology RMX Enterprise integrates with SAP E-Recruiting Resume Parsing to provide advanced resume extraction capabilities

**Vancouver B.C., — March 10, 2008** — Talent Technology Corporation announced today that its Resume Mirror Extraction (RMX) Enterprise module version 3.0 has achieved SAP® Certified Integration status for seamless integration with the SAP E-Recruiting Resume Parsing 603 application. The RMX Enterprise product is now available to customers using SAP E-Recruiting Resume Parsing via integration with the SAP NetWeaver® Exchange Infrastructure (SAP NetWeaver XI) 3.0 component of the SAP NetWeaver platform to exchange critical data with instances of the SAP Business Suite.

RMX Enterprise is delivered as an on-demand hosted service providing advanced resume extraction/resume parsing functionality for users of SAP E-Recruiting. The benefits delivered by the Resume Mirror product include its ability to eliminate manual data entry or manual processing of resumes and dramatically improve the ease with which candidates can apply for jobs on a company's career portal leading to a higher number of quality applicants. The RMX Enterprise offering is a proven solution which currently processes millions of candidates every month for hundreds of large corporate clients.

"We are proud to be one of the first vendors to offer to customers a resume extraction solution that has achieved SAP Certified Integration status," said Jade Bouelle, President & CEO of Talent Technology. "With this certification, we look forward to furthering our relationship with SAP. We're committed to continue our leadership in delivering the recruiting technologies and solutions that power the best HR departments around the world."

RMX Enterprise, with integrations certified by SAP, is available immediately. Representatives from Talent Technology will be attending the SAP HR 2008 conference, March 10-13, 2008 in Lake Buena Vista, FL in booth #115.
