TALENT TECHNOLOGY CORPORATION'S RESUME MIRROR SOLUTION SELECTED BY LEADING CANADIAN EXECUTIVE JOB BOARD

Higher Bracket Online Media Inc. selects Resume Mirror solution
to enhance the candidate and client usability of their job board

Vancouver B.C., — March 13, 2007 — Talent Technology Corporation, the award-winning provider of HireDesk, recruitment technology solutions, today announced it has signed a contract with Higher Bracket Online Media, Canada's largest source of online jobs for six-figure and executive job search information. Higher Bracket is licensing Resume Mirror's Enterprise Applicant Manager™ (EAM™), and will be deploying it as part of the core engine behind its online job board, www.higherbracket.ca.

"Resume Mirror was selected because it clearly offered the most comprehensive package including the performance, services, and support for the best value. We deliver a high level of excellence to our clients and we know we will receive this same quality from Resume Mirror's technology and team," says Anthony Kaul, Founder and CEO of Higher Bracket Online Media Inc. "Resume Mirror is the only player in the market that consistently delivers the results that we require from a resume processing component."

EAM™ is a hosted service providing advanced resume data extraction and processing functionality for corporations, job boards, and commercial ATS systems. The benefits delivered by EAM™ include its ability to eliminate manual data entry or manual processing of resumes and dramatically improve the candidate experience and higher candidate capture rates.

"Higher Bracket is growing at a rapid pace and we are very pleased to be selected yet again by a leading organization in this market segment," said Don Darrah, vice president, sales for Resume Mirror. "Our resume processing technology solution combined with our complete partnership approach with our clients will enable Higher Bracket to simplify their online application processes and grow their overall talent pool so their clients looking for executive candidates will be able to find them immediately."

About Higher Bracket

Higher Bracket is a Canadian media company, started in June 2005 by a team of veteran niche job board builders. The founder and his team spent 4 years in the trenches helping build Hcareers.com into the world's largest hospitality job board. They have turned their considerable knowledge of the online media industry and their extensive network of recruiters, authors, resume professionals, and executives into Canada's largest source of online access to six-figure and executive job search information.
