RESUME MIRROR CHOSEN BY LEADING CANADIAN JOB BOARD

Workopolis selects Resume Mirror to power their new resume building tool, ResuméExpert™

Vancouver B.C., — September 26, 2006 — Talent Technology Corporation, the award-winning provider of leading-edge recruiting solutions and technology components, today announced it has signed a contract with Workopolis, Canada's leading provider of Internet recruitment and job search solutions. Workopolis is licensing Resume Mirror's resume extraction technology, Resume Mirror Extraction Engine, and will be deploying it as part of the core engine behind its new resume building tool, ResuméExpert.

ResuméExpert is a powerful resume building tool that optimizes resumes for Workopolis' new ResuméRanking™ search engine. ResuméRanking provides quicker, more relevant matches between job position and candidate.

"We have selected Resume Mirror because they are best-in-breed and support our initiatives to develop best-in-breed search and matching tools," says Pat Sullivan, President of Workopolis.

"We are very excited to have successfully gone live with Workopolis, the leader in the Canadian job board industry," said Praj Patel, Executive Vice President of Talent Technology. "Our resume processing technology offers Workopolis an easy way to simplify the candidate acquisition process and structure the data so that clients looking for staff can find their ideal candidates as fast as possible."
