HIREDESK NAMED 2008 GAME CHANGING TECHNOLOGY RECIPIENT

HireDesk recognized by Online Recruitment Magazine
at premiere online recruitment conference and expo

Vancouver B.C., — September 9, 2008 — Talent Technology Corporation, an award-winning provider of recruitment technology, today announced that it has received recognition by being named “A 2008 Game Changing Recruiting Technology” by Online Recruitment Magazine at the Onrec.com Global Online Recruiting Conference and Expo. This conference is the premiere gathering of global online recruiting leaders and game-changing technology providers. The Onrec.com Awards were established to celebrate the success, growth, innovation and talent within the Online Recruitment.

According to Jade Bourelle, Talent Technology’s Chief Executive Officer, “It is great to receive this recognition from one of our industry’s thought leaders. There are scores of solution providers in this market space and to be recognized as a game changing solution provider is a tribute to the breadth of the HireDesk applicant tracking system.”

“This places us among the leaders of our industry and proves that HireDesk is an applicant tracking system that continues to meet the demands of our ever changing market place,” says Praj Patel, Talent Technology’s Executive Vice President of Marketing.

Talent Technology Corporation is exhibiting at the Online Recruitment Conference on September 9th & 10th. This is an event that brings together a unique mix of online recruitment leaders and commentators, with HR practitioners and leading industry suppliers. Visitors will have the opportunity to hear their thoughts on the development growth in the US and globally, of the adoption of online recruitment and implementation, now central to so many companies’ recruitment process.
